Providing Whole Bibles to the Whole World

March/April 2022

(2Th 2:3) Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition.

These past months have seen an increase in demonic activities in our nation and even in churches across our nations. We can see, because of the activity, that the coming of our Lord isn't too far off. We need to be about the Father's business while we still have time. The Bible says in **2Pe 3:9** "The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.", so we must be busy, there are millions that need to be saved. BEAMS is putting Bibles in the hands of missionaries in foreign lands to give to those who are saved so they can grow in grace and share the plan of salvation with their people.

In the last few months I have been taking boxes of Bibles to churches and God's people have taken them to the post office and mailed them. The postage has increased and now the boxes cost 80 to 90 dollars to mail them. Yet, members have taken them and paid the postage so the missionaries can have the Bibles to give to those who get saved. We can only say "Thank you" to all those that have taken the boxes and mailed them.

Many churches in our area are without pastors so I get calls quite often to fill the pulpit. This gives me an opportunity to update or share the ministry of BEAMS as well as preach the gospel. By the way, BEAMS has a need for more missionaries to share the ministry in churches. Many churches have never had anyone come and share with them the ministry of BEAMS. With more churches becoming involved more Bibles can be sent. So if you know of anyone who would be interested please contact our office in Gulfport to let them know. The telephone number is 228-832-1096.

Please continue to pray for Mary and me. As we get older we have more aches and pains in places that we didn't know we had. Mary has had therapy on her shoulder and that is coming along fine. Her last therapy appointment will be this coming Tuesday, May 24.

Again, let me say thank you for your support and your prayers. Without those we would not be able to do the work God has called us to do. God bless you.
