Sunday School: 10-09, 10/16, 10/30-22

Exodus 16:1-31

God kept His promise with Israel.

He brought them out of Egypt with great wealth and a great population.

He led them to the Red Sea

He protected them from Egypt's Massive Army.

He moved the water and dried up the sea bed for Israel to escape.

He closed the water down on the enemy, drowning and them defeating.

He gave them water then an oasis with palm trees and wells of water.

God did a whole lot more for them than what is written.
