

Victory in the Deepest Battles

12/25/2022 - Christmas Service

Luke 4:1-13

1 Corinthians 10:13

The Humanity of the Lord Jesus is seen in every verse of the Book of Luke.

Fasting, Hunger, Being on Earth Dealing with Earthly Things.

After 40 days of fasting, the devil tempts our Lord.

The devil is Lucifer who is a real person, created by God, and a fallen angel.
Being the Son of God through the Lineage of Adam
The Lord Jesus does not sin because of temptation as did Adam and Eve.
Three temptations are mentioned during this time.

The devil appeals to the Lord Jesus' hunger for bread.
The devil appeals to the Lord Jesus through the temptation of Ultimate Power.
The devil appeals to the Lord Jesus through a wicked position of killing himself.
The devil twists the Word of God in order to tempt the Lord Jesus.

The Lord Jesus Christ defends and defeats the temptation, giving us an example of how to be victorious in each of these battles.

Know the Word of God.
Know The Lord Jesus Christ as Saviour.
Know your limitations and shortcomings.

Act through the Knowledge of the Word of God.
Act in Response, not reacting through the flesh but led by the Holy Spirit.
Act in order to Glorify the Lord Jesus Christ, not your flesh.

Cry out for help from the Lord Jesus Christ.
Cry out for strength from Almighty God.
Cry out for provision from the One True God
Cry out for knowledge from the Wise and True God, The Lord Jesus Christ.

Throw yourself down to the feet of the Lord Jesus, crying out to Him, for Victory!
Find yourself sitting at His Feet in Worship of Him, only!
Stay here until the temptation is won by the Lord Jesus Christ.
