

Necessity necessitates Grace and Mercy

04/09/2023 - Easter Morning Service

Luke 6:1-4

We are in great NEED of the Lord's Grace and Mercy EVERYDAY!

Works of necessity were allowed on the sabbath day.

What does The Lord think?

What The Lord Jesus thinks is more important than what I think or any other person thinks.

Every individual needs: Healing, teaching, helping, holding

The Lord Jesus is: Giving Hope to the hopeless
Giving Mercy to the defeated
Giving Grace to the afflicted
Giving Love to the hated

The Pharisees were in judgement against The Lord's disciples for the same things they were doing, committing sin against The Lord's law.

*****Matthew 12:3-8*****

The Religious leaders condemned others before they condemned themselves

The disciples needed to eat, very hungry.

The disciple took the corn and ate the corn.

The Sabbath is still a day of service and worship of The Lord Jesus!!

One day in the week is still needed for honouring God!!

We should honor, serve, and worship The Lord Jesus EVERYDAY!

For the Believer in the Church age, we should worship on the first day of the Week.

It seems the early church met everyday and brought tithes and offerings on the first day.

Grace and Mercy are shown by The Lord Jesus through His teaching, preaching, and doing for the multitude also.

Grace and Mercy are always shown to the 'Whosoever' that believes in the Lord Jesus Christ.
