

Hear God's Warning

06/04/2023 - Morning Service

Luke 6:24-26

Blessed are the poor	They shall be rich
Blessed are those that are hungry	They shall be fed
Blessed are those that weep	They shall be laugh
Blessed are those that are hated	They are loved by The Lord Jesus
Rejoice	Their reward is in Heaven!

The world and the wicked Jew did the same to the prophets of the Old Testament.
The OT Prophets were hated, murdered, and removed from society.

Woe to the Rich that are rich is this worlds riches, trusting in those riches rather than God.
The wicked rich trust in the idols and gods of the wealth and goods.
The wicked rich hate on those that are not one of them.

Woe to those who are full on this worlds goods and their flesh's riches.
Full of Temporary goods.
Full of Perishing riches.
Full of Destructive Knowledge and Philosophy.
Full of, yet completely EMPTY.

Woe to those who laugh now, later they shall mourn and weep.
Laughing at their sin and the wickedness of others
Enjoying Sin and the unrighteous of others
Finding Joy in following Satan, not realizing their infatuation of Evil.
WOKE Willingly Overlooking Known Evil

Woe to those who are spoken well of the World and the Wicked. False Prophets
Hateful words, spoken or written, toward God and His people.
Love and Adore the false prophets of this world.
