

We Need To Fear God

06/18/2023 - Sunday School

Exodus 20:18-21

Matthew 10:28

Galatians 3:21-29

The Law is given to teach us that we are all sinners needing The Lord Jesus to save us.

The Law is given by God to man for our good.

The Law is given to keep men and women from sin.

God Created and God Condemned

God Created and God So Loves

God Created and God Requires

Israel saw God's Greatness, Righteousness, and Fury.

Israel saw God's Miracles, Ate God's Food, and Followed God's Cloud and Fire.

God has not come to destroy you but to Prove you.

By Trial, will you Hear the Word of God?

By Trial, will you Obey the Word of God?

By Trial, will you Teach the Word of God?
