

Peace from Forgiveness

08/13/2023 – Morning Service

Luke 7:36-50

Supper time with the Lord Jesus.

This Pharisee possibly believes or wants to figure out what is wrong with The Lord Jesus.

While at dinner, a woman comes in to thank and praise the one who has forgiven her of her sins and changed her life.

This sinful woman washes the feet of the Lord Jesus with her tears and this ointment in order to show her thankfulness and gratitude for forgiveness.

Repented of her sins, Forgiven by the Saviour, The Lord Jesus Christ

The Pharisee has not provided water for The Lord's feet, or kiss, nor oil for refreshment.

The Pharisee has compassion nor kindness for the Saviour.

This Pharisee knows nothing about Forgiveness, nor The Saviour that forgives.

1. Search your life for Sin.
 - Many will not see their sin like God sees sin.
 - Many will not humble themselves and admit their sin
 - Many will not humble themselves and repent of their sin.
2. Kneel before the Saviour who forgives.
 - An arrogant spirit refuses to acknowledge their sin.
 - An arrogant posture refuses to ask King Jesus to forgive them.
 - An arrogant position refuses to bow and weep before King Jesus.
3. Rest knowing that you are forgiven.
 - Peaceful rest knowing that your sin has been forgiven
 - Peaceful spirit knowing that your sin has been removed.
 - Peaceful witness of the Lord Jesus to others.

“Thy Faith hath saved thee.” “Go in Peace”!!!!
