

The New Relationship

09/10/2023 – Morning Service

Luke 8:19-21

Not only does the Lord Jesus acknowledge His Relationship to His mom and brothers, but He teaches the believer that the Relationship with Him is greater and Eternal.

This New Relationship is with the Creator, Almighty God, and The Saviour.
This New Relationship is from above and because of Him.

In the Blood of the Lord Jesus is New Life, New Family, and New Hope.
In the Blood of the Lord Jesus is redemption, cleansing, and eternal security.
In the Blood of the Lord Jesus is the New Testament.

The Lord Jesus does not throw away His earthly family but teaches us of the New Family that is for the Believer.

We should be better to each other because of the Lord Jesus.
We should be more compassionate to each other.
We should definitely be kinder to each other.

WE should not worship our earthly family.

Condoning sin, accepting evil, closing our eyes to wickedness.
You will worship family more than The Lord Jesus.
If you throw out family, you will then not desire Family.

Family is important! Heavenly and Earthly

Support one another.

Care for one another.

LOVE one another.

Love one another.

Love one another.

Never accepting sin but loving the sinner.

Never overlooking sin but loving the sinner

Never enabling the sinner but loving the sinner.
