

What is keeping you from getting close to The Lord Jesus?

10/15/2023 – Morning Service

Luke 8:40, 43-48

If I could just close enough to touch the hem of His garment?

If I could just close enough

Nothing kept the Lord Jesus from being the Saviour.

Nothing kept the Lord Jesus from being God.

Nothing kept the Lord Jesus from being mankind's only Hope.

Nothing got in the way of the Lord Jesus working in individual's lives.

Everyone was in the way of this hurting, desperate woman.

Everyone wanted the Saviour, only she was different, she had real faith.

Everyone surrounded the Saviour, but she was not going to allow anyone or anything to stop her from getting to the Saviour.

Her money could not get her close or healed.

She used her money on doctors.

Her doctor had no answers.

Her family could not help her and did not give her any money or answers.

Nothing earthly or of man could heal her or help her.

The Lord Jesus is the only Answer.

What is in the way of you getting near the Saviour?

Who is in the way of you getting close to the Saviour?

Why do you not want to get beside the Saviour?
