

# Working the Harvest

02/11/2024 - Morning Service

## Luke 10:1-12

This message is simple this morning.

We need to work for the end is coming, judgment is coming, and time is short.

We are instructed to pray for Laborers to work the harvest because:

Ripe for Harvest.

Rot of the fruit.

Massive Harvest.

We need every hand on deck.

Time Limit for the Harvest    Seasonal Work, Temporary

So many people need to hear the Gospel and so few are proclaiming the Gospel.

So many people need to see the Gospel lived and so few believers are living it.

The Gospel is so big that every believer needs to help in telling the Gospel.

The Harvest is so large that every believe needs to work the Harvest.

The Saviour is sending out every believer into the harvest to do the job He gives each believer.
