

Who is my neighbor?

03/24/24 – Morning Service

Luke 10:29-37

This lawyer seems to be asking a question with the intent of proving himself more righteous and more correct than God, who stands in front of him.

The Lord Jesus mercifully answers with a true story concerning mercy and compassion on a neighbor.

Five individuals plus all others in attendance are taught, given Truth, and helped by The Lord Jesus.

The ones who hated the Lord Jesus are shown Mercy.

The Lawyer is a smart aleck, knows everything about everything.

The Injured is in the wrong place at the wrong time. Wrong Road Taken

The Thief beats this individual and steals what is not his. Hatred

What you have is mine. Socialism and Communism. Our Government

The Priest and Levite walk away, showing no Mercy.

What I have is mine. Greed.

Ritualism, Ceremony, and Legalism. These cannot save or show Mercy.

Religion, Rules, Hatred cannot help anyone.

The Lord Jesus instructs:

Do not forsake Truth of God.

Do not forsake Compassion with the Truth of God.

Have Mercy with Great Compassion and God's Truth.

Have Mercy because The Lord Jesus has shown you Mercy.

Have Mercy.
