

## **A Seat at the Table**

04-20-25 – Easter Morning Service

Luke 14:7-11

We are always interested in where we sit at the dinner table.

Do we sit at the Kids table?

Do we sit next to the Guest of honor or the Head of the table?

Will we get the best of the supper or will there be anything left when it is my turn?

The Lord teaches to be at the table, not worried about what seat.

Arrogance forces us to want to be the most important.

Arrogance deceives us into being greedy, mean and devious.

Arrogance destroys those who exalt themselves.

On this Easter, Resurrection Sunday, You have a seat at the Father's Table.

Every Seat is an important seat at God's table.

The Food is always full on Heaven's Buffet.

The greatest dessert is to be at the Master's table, Forever!
