Walking Alive through History His Story

04/06/2025 – Morning Service

Luke 13:31-35

The Lord Jesus is the only one who has walked everyday through the History of this world or any world.

Satan and Mankind deeply desire Death.

No judicial court of man ever rightfully judged The Lord Jesus or any of God's prophets.

No ruler ever truly wanted God's man to flourish.

No politician ever truly wants God's Truth to rule.

The Lord Jesus is Walking Alive not walking dead.

Walking alive for me to Walk alive.

Walking alive to Save souls.

Walking alive to Bless souls.

Walking alive to Rule as King.

Walking alive to Judge as Ruler.

Walking alive to Defeat the enemy.
