

Truth is.....

Luke 16:14-18

The Pharisee, the Sadducee, the Scribe, the Religious, the Democrat, the Republican, The World, and Your Flesh deride the Lord Jesus.

To Mock, To Scoff, To Ridicule “You Idiot, you are so stupid”

These arrogant fools are fakes and frauds, making themselves look brilliant, holy, and upright.

The Lord Jesus sees the heart of these fools.

The fools of this day loved money, silver, gold, and the materials of this earth.

Not one part of the Law will fail because it is from the Heart and Mind of God!

The Law is a schoolmaster that teaches us of our need of the Lord Jesus Christ.

The Lord Jesus points out their hypocrisy, their arrogance, and their unrighteousness by their flippant wicked use of the Law.

Many of these fools were living in an adulterous relationship.

These misused the Law and justified their life by their corrupt flesh.

These showed themselves to be angels of light, but were truly devils within.

Every individual is capable of being this fool.

Every individual is capable of justifying sin before man and God Almighty.

Through the Lord Jesus Christ, this individual will find help and hope, being rescued from this lawless, wicked, and fleshly life.
