## **Luke 17:1-4**

Here is another scripture truth that is very very hard to obey and do.

Others will hurt you and offend you. Guaranteed!!

I definitely get tired of being the target of everyone's hate and foolishness.

I am hurt, I am crushed, and I am disappointed.

Praise King Jesus, I am forgiven and I am washed in His Blood!!!!!!

The World's system is to be vicious, hateful, and offensive.

Take Heed: Pay attention, be cautious with yourself

Rebuke: Let the individual know that they have done you wrong.

The main problem is that individuals will rebuke with hate.

Many will rebuke when they shouldn't.

Forgive when the individual repents.

Forgive: Luke 6:37, 11:4 Matthew 6:12-15

Forgive no matter what the individual says or doesn't say.

Forgive and Forget about the problem or offense.

Forgive and Go Forward.

Fix your eyes On the Lord Jesus Christ, who forgave you.
