

# **The Lord will Do Something**

05/24/2026 – Sunday School

**Zephaniah 1:12, 18, 2:1-5**

So many believe that God will not do anything and His wrath is not real.

The Lord God Almighty will bring judgement, destruction, and wrath.

God's wrath and judgment are absolutely real!

Thankfully, God is also a God of Mercy on the repentant sinner.

There is a remnant of true believers who will be spared.

So many believe that God's judgement is none existent.

Many believe that God has no wrath or judgment.

Many believe that God will never destroy, condemn, or cast into Hell.

Many believe that hell does not exist.

God will bring wrath and judgement on sin and the sinner.
