

Where do we get our gifts?

06/21/2026 – Sunday School

1 Corinthians 12:1-3

Whom the gift comes from is very important.

Where the gift comes from is important.

When the gift comes is important.

The gifts from God must come from God only.

The gifts from God must come from the Holy Spirit. John 16:4-15

The gifts from God are for your benefit and the benefit of others.

Each gift given is to strengthen the believer.

Help the Church.

Give the Gospel to the Lost.

The gifts from God are not to be hidden, kept to yourself.
