

The Coming Days

06/28/2026 – Morning Service

Luke 17:20-30

The Lord Jesus will be returning to this Earth in the future.

We live in the day that is watching for His return for the Church.

The Rapture of the Church is the next item on God's Calendar for this world.

The Lord Jesus is preparing the Disciples for His Crucifixion and Resurrection.

The Believer is watching for The Lord's Return.

The rejector or non believer is looking for some messiah's first coming.

The rejector will mock any coming or returning of The Lord Jesus.

The Heretic will teach multiple raptures.

The Believer will watch and wait for their Lord's return while they worship, work, and witness for the Lord Jesus Christ.
