

Working of God within us

06/28/26 – Sunday School

1 Corinthians 12:1-6

The Lord Jesus is always at work in us, around us, and through us.

All of the Triune Godhead is working in every area of the believer's life.

Every area of life is provided for in the believer's life.

All of God is to grow and use the believer.

No individual is able to witness of the fact that The Lord Jesus is the Messiah, the Son of God, without the Holy Spirit putting that within the individual.

This work of God will grow the believer, use the believer, and unite all believers for the Work of God.

Souls need to be saved.

Believers need to grow.

The Church needs to Glorify The Lord Jesus Christ.

Distribution of Gifts by The Holy Spirit.

Holy Spirit gives the gifts.

Administrations of the Gifts

The Lord Jesus administers the gifts.

Power to perform those gifts.

God the Father supplies the power.
