

Little Children need The Lord Jesus

08/23/2026 – Morning Service

Luke 18:15-17

Matthew 19:13-15

Proverbs 22:6

The Lord Jesus wanted the infants, toddlers, and juniors to come to Him.

*****Notice that the Lord Jesus never baptized the children in order to wash away their original sin like false religions do.

The Adults did not want the children to go to Him or bother Him.

The Adults had **formed the opinion** that these infants, toddlers, and juniors were not important enough to go to The Lord Jesus.

At some point in life, these adults had learned they did not need The Lord.

At some point in life, these adults began to exercise and use their free will.

*****Evan the Disciples stepped in to stop these children from getting close to The Lord Jesus, The Saviour.

What were they thinking, keeping anyone from the Lord Jesus Christ?

The one that kept children from God were warned. Luke 17:2

These children were teachable. They will follow you.

These children were moldable. They trust you.

These children had an absolute need of the Truth from The Lord Jesus.

The child will generally do anything for you.

Make sure to give children the Truth of the Lord Jesus Christ. Before it's too late!!

Be sure to tell the children that Jesus Saves! Before it's too late!!

For sure, The Lord Jesus is needed every day for the rest of their lives!!!!!!

In 1975 at 5 years old, I was told that Jesus Saves and that I needed to be saved!!
