Luke 18:18-23

The Certain Ruler noticed that Jesus was Someone of importance.

This Ruler did not really know who the Lord Jesus Christ was.

Good Master is the term the ruler used to call out to the Lord Jesus.

This Certain Ruler thought he had earned salvation with his usage of the word 'Inherit'.

Inherit: To receive as a right

To take by decent from an ancestor

To take as a possession

The ruler thought Eternal Life was owed to him

I'm good enough.

The ruler thought Eternal Life was his by right

Don't you know who I am

The ruler thought Eternal Life was guaranteed

Death is guaranteed

The Lord Jesus had mercy on this ruler.

The Lord Jesus made no mention of eternal damnation, only the one thing the ruler lacked.
