

One part of the Body

08/30/2026 – Sunday School

1 Corinthians 12:12-20

The Believer is one part of the body.

God determines what part of the body the believer is.

We have one job.

We have one purpose

We have one function

All the members of the body, fit together to:

Glorify the Lord Jesus.

Preach and Proclaim the Gospel of the Lord Jesus Christ.

Edify each other within the body.
