1 Corinthians 12:28-31

What is your gift or gifts?

Are you using them to glorify The Lord Jesus or Self?

How are helping in this church body?

Prophet: One who is preacher of a message, Guide, foreteller.

One who is called of God to give God's message.

Some messages are of the future events.

The title is not used today because we have all of God's Word in the KJB.

The calling of a prophet is by God only, for the growth of the Church.

The Prophet is inspired by God.

The Prophet teaches God's Word only.
