Questioning The Authority of God

11/1/2026 – Morning Service

Luke 20:1-8

The Creator, The One True God, The Redeemer was questioned by these religious leaders.

The Lord Jesus' authority is question by the religious leaders of the Temple.

The religious leaders of the day mocked and scoffed at the Lord's authority.

This anti-Christ spirit:

Refused:	To believe the scriptures.
	To believe the prophecies and promises
	To submit to the Lord's authority.
Rejected:	The Holy Scriptures.
	The prophecies and promises fulfilled.
	God.
Resented:	The Way
	The Truth
	The Life

Thankfully, so many heard The Truth, saw The Truth, and Believed!

The Lord is still preaching The Truth.

The Lord is still saving 'Whosoever' believes in Him.
